I, the undersigned, understand that Knight Realms and its affiliates have taken reasonable steps to minimize all risks to Knight Realms event participants but are unable to completely guarantee that no injury will come to me.

I understand that there is always the possibility of a slip on rough ground, a fall over obstacles in the darkness, or the occurrence of some other unforeseeable accident. Further, since I may also be participating in mock battles using padded weapons, there is a risk of injury from other participants.

I understand the risks involved in participating in the events sponsored by Knight Realms. I shall make no claim of any description against the organization, its members or its officers, or any company doing business with the organization for any loss or damages suffered in the course of participating. I shall hold myself responsible for any medical fees that might occur as a result of my participation of Knight Realms.

I confirm that I am in good physical health and do not suffer from any physical disabilities that would inhibit my ability to play or place me in jeopardy.

I understand that failure to abide by this agreement, the Policies or the Rules of Knight Realms could result in my expulsion from the organization, as well as in extreme, legal action.

If at any point I decide that I no longer am in agreement with this legal release, I will commit this desire to writing to inform the Knight Realms organization thirty days before officially rescinding my agreement, giving the Knight Realms organization thirty days to inform me not to attend future events.
